Our Rat Pack Casino Night will feature all the familiar gaming tables to enjoy, and everyone can participate from a beginner to an advanced player! Dealers will be on hand to teach you how to play, and you could walk away with some exciting prizes! Join us along with our emcee Tampa Bay Area TV and Radio Personality, Nancy Alexander, for the festive dance music of the Rat Pack era, bid on wonderful silent and live auction packages as well as learn about the amazing work at Shriners Hospital in Tampa from our knowledgeable guest speaker Honorary Chair and Past Potentate Ill. Sir Tom Edwards and patient ambassadors.

A VIP Reception will kick off the night for sponsors at 6pm, and general admission opens at 7pm. All guests will receive two drink tickets with their ticket purchase for complimentary soda, water, beer and wine, and a cash bar will also be available. Enjoy food and other goodies from some of our area’s featured restaurants, and take part in a few other surprises throughout the evening. Our event will be an affair to remember, so dress up in your favorite Rat Pack attire and join us!

Your contributions to this event will help provide financial support for the patients of Shriner’s Hospitals! As you may know, children up to age 18 are eligible for care and receive the specialty pediatric services in a family-centered environment - regardless of the patient or family's ability to pay. It is only through the generosity of supporters like you that they can continue this crucial mission.
