We will have the festive dance music of the vintage era as we bid on wonderful silent and live auction packages. Learn about the amazing work the Shriners Hospital for Children - Tampa does for our children and what The Black Dagger Military Hunt Club does for our military veterans.

Early admission opens at 5:30pm. All guests will receive a drink ticket with their event ticket purchase good for complimentary soda, water, beer or wine and a cash bar will be open for the evening. Enjoy food, goodies from some of our area's featured restaurants and take part in a few other surprises throughout the evening. Our event will be an affair to remember, so dress up in your favorite Vintage attire and join us!

Our event will feature all the familiar gaming tables to enjoy and everyone can participate whether you are a beginner or an advanced player! Dealers will be on hand to teach you how to play and you could walk away with some exciting prizes!

We are confident this is a fundraiser you will enjoy supporting and have several options for EVENT SPONSORSHIP, TICKET PURCHASES and DONATIONS for our silent auction, live auction and other give-a-ways. Please see the participation levels on the following page.

Your contributions to this event will help provide financial support for the patients of Shriners Hospital for Children - Tampa! Children up to age 18 are eligible for care and receive specialty pediatric services in a family-centered environment, regardless of the ability to pay. It is only through the generosity of supporters like you that they can continue this crucial mission. For more information, please visit the Shriners Hospital for Children - Tampa website: www.shrinershospitalforchildren.org/locations/tampa.

Black Dagger Military Hunt Club serves veterans without limitation to when or where they served. BDMHC works with the James A. Haley VA Hospital's Adaptive Sports Program in Tampa, Florida, the USSOCOM Care Coalition and active duty military members on MacDill AFB. In addition, on a case-by-case basis, they will work with veterans supported by other agencies to meet a specific need that their team can satisfy. BDMHC serves veterans recovering from and learning to adjust to life with spinal cord injuries (SCI), traumatic brain injuries (TBI), loss of sight, and post-traumatic stress (PTS). BDMHC has specialized equipment to accommodate some of the most injured military heroes thus helping our honored veterans find their "new normal". For more information, please visit their website at www.blackdagghermhc.org.

Join your community to help us support these worthy causes for our area's neediest children and Veterans!

"Share Your Courage With Us. Together We Are Stronger."

The Committee of MGM Friends – Charity Partners thanks you in advance for your generous support.
